## National Fire and Aviation Executive Board

---

August 24, 2005

To: Fire Management Officers and Human Resource Specialists

From: The National Fire and Aviation Executive Board

Subject: IFPM Standard Errata Sheets and Decision Paper

On August 23, the National Fire and Aviation Executive Board (NFAEB) reviewed and approved the following documents:

**Errata #3** - defines a change in the "Additional Required Training" for the Center Manager position.

**Errata #4** - defines a change in the "NWCG Incident Management Qualifications" for the Senior Firefighter position.

**Errata #5** - defines a change in the name of the IFPM key position of "Fire Prevention and Education Specialist" to "Fire Prevention and Mitigation Specialist".

**Decision Paper #3** - Temporary Hiring Under the IFPM Standard

**Center Manager Position Clarification Paper** – Clarifies at what level the Center Manager position should be applied.

The purpose of these documents should be self-explanatory. These documents along with replacement pages for the IFPM Standard can be found on the IFPM website at [www.ifpm.nifc.gov](http://www.ifpm.nifc.gov).

The NFAEB fully supports the implementation of the IFPM Standard and will continue to be responsible for decisions and implementation actions. If you have questions contact your agency fire management or human resource management IFPM representative.
